

SHARP PARK GOLF COURSE IS DESTROYING NORTH AMERICA'S MOST BEAUTIFUL SERPENT AND TWAIN'S FROG.

Take action and join fellow Pacificans and San Franciscans working to...

It's time to restore the natural ecology of Sharp Park and increase recreational opportunities, preserve endangered species, make our coast more resilient to climate change, and work for a more humble and hopeful future for this beautiful public land.

Take Action Now!

Please voice your support for the restoration of Sharp Park by calling or writing the following contacts:

Sharp Park in Pacifica, just south of San Francisco, is one of the last great restoration opportunities on California's central coast. Pacificans and San Franciscans are collaborating to transform the publicly owned land at Sharp Park from an exclusive, underused, and budget-breaking golf course into a community-centered model for natural flood control, outdoor recreation, sustainable land use, and endangered species recovery.

a restoration and recreation
vision for a new Sharp Park
