Re: Agenda Item 6 on November 19, 2007 Agenda of the Policy Committee of the Commission on the Environment for the Resolution Supporting the Green Roof Bus Shelter Demonstration Project

Dear Director Blumenfeld:

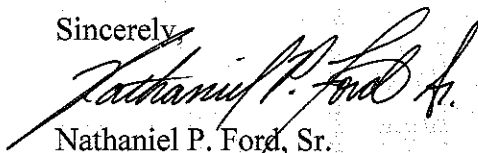

The SFMTA respectfully requests that the Policy Committee of the Commission on the Environment continue Item 6 on today's agenda for the resolution supporting the Green Roof Bus Shelter Demonstration Project until January 2008.

The SFMTA was not informed that this resolution would be on today's agenda, and staff has not had time to review it and provide SFMTA management with comments.

As you know, SFMTA will have a new transit shelter contractor as of December 10, 2007. Proposed green roofs on transit shelters involve many complex issues, and will require study and analysis.

Thank you for your assistance.

Sincerely,

Nathaniel P. Ford, Sr.
Executive Director/CEO
