

## Pruning Workshop Attendee Breakdown

The pruning workshop was held on June 12, 2009 from 10 to noon in the County Fair Building in Golden Gate Park. 126 people RSVPed from various City departments and agencies and their contractors; 100 people signed in though more were in attendance. As compared to the workshop in 2008 where we received 92 RSVPs with 62 attendees who signed in.

CEUs, or Continuing Education Credits, were awarded by the International Society of Arboriculture (ISA). ISA certification requires that the certified person obtain a number of CEUs between each certification renewal period. Certified Tree Workers need to earn 15 CEUs and Certified Arborists need to earn 30 CEUs every three years. For this workshop we offered 2 CEUs to each certified attendee. Those with staff who received CEUs are noted in the last column on the table below.

Attendees are broken down by agencies, with total RSVPs and total attendance. Eleven individuals who did not RSVP attended the event and are included in the total attendance of the agency they work for.
